Fully assembled CrankShooter Folding Goal

ASSEMBLY INSTRUCTIONS

Step 1

Lay out all pieces to the goal. You should have **10 poles** and a few **replacement pop buttons**.

Step 2

Insert **2× #2 poles** (long straight poles) into pole **#1** (U-shaped pole). They will pop into place with the pop buttons.

Step 3

Insert **Part #3** into the **left-hand side** of the assembly from Step 2. Pop into place.

Step 4

Insert **Part #4** into the **right-hand side** of the assembly from Step 2. Pop into place.

Step 5

Insert **2× #2 poles** into the **#3 and #4** pieces.

Step 6

Insert the **last #2 pole** into the two **#5 poles**. Pop into place.

Step 7

Place the assembly from Step 6 **onto the top** of the assembly from Steps 3 and 4.

Step 8

Use the **net installation instructions** to install the net into the goal.

Step 9

Enjoy!
